

telescope health

in association with

Ameriflex

Supporting the health and well-being of your employees and their dependents.

Telescope Health enables employees to receive virtual care coordination, high-quality provider visits, and healthcare navigation from the comfort of their home, on their own schedule.

Benefits for Employees

- Convenient access to virtual healthcare anytime, anywhere.
- Reduced time off work for medical appointments.
- 24/7 access to care coordination providing wrap-around care coverage.
- Arranging primary care and specialist follow-up appointments.
- Helping to find cost-effective solutions for in-person care.

Benefits for Employers

- Increased productivity with minimum work disruptions.
- Cost savings for employers and employees by avoiding unnecessary emergency room visits.
- Enhanced employee satisfaction and retention.
- Promotes preventative care and wellness initiatives.
